

*Blessed Selves, Dear Spiritual Seekers and Bhaktas of Gurudeva,*

*On the holy occasion of Christmas I pray to the Almighty  
to bless you with harmony, peace and happiness  
and shower upon you Cosmic Light and Bliss.  
At the same time I wish you a very harmonious,  
happy, healthy and successful year 2007.*

*This year we celebrated 30 years Eternal Light in Europe.  
May the Divine Light at our ashrams bestow upon you  
love, wisdom, understanding and forgiveness.  
May it fulfil all your positive wishes.*

*I pray for your good health, long life,  
divine protection, spiritual development, fulfilment  
and success in all your positive activities.*
